I am having it republished so it can be available once again, in both print and now in electronic versions.) Church traditions, formed in previous times and places, may have quite a stagnating effect on church communities and the individuals members today in the 21st century. Earlier traditions that were constructed from a vision of early observations and understandings of an earth centric universe are not compatible with our scientific revelations now. They contradict what we now know and obscure God s intended message of compassion and love to all people in all times and places. This book points to older traditions and how they may have become harmful in the lives of individuals and communities when they remain too long. Traditionalism then causes conflict and confusion with today s growing verifiably factual understanding of our world today.Traditionalism, traditions held too long, often hinders the ability of people s advancement in personal...
