Book Condition: New. Publisher/Verlag: Penguin US | Introd. by Greg Bear. With a new afterword by Simon J. James | The revolutionary novel that catapulted readers into the future, from the father of science fiction, H.G. Wells. "I've had a most amazing time." So begins the Time Traveller's astonishing firsthand account of his journey eight hundred thousand years beyond his own era-and the story that launched H. G. Wells's successful career. With a speculative leap that still fires the imagination, Wells sends his brave explorer to face a future burdened with our greatest hopes and our darkest fears. A pull of the Time Machine's lever propels him to the age of a slowly dying Earth. There he discovers two bizarre races-the ethereal Eloi and the subterranean Morlocks-who not only symbolize the duality of human nature, but offer a terrifying portrait of tomorrow as well. Published in 1895, this masterpiece of invention captivated readers on the threshold of a new century. Thanks to Wells's expert storytelling and provocative insight, The Time Machine will continue to enthrall readers for generations to come. With an Introduction by Greg Bear and an Afterword by Simon J. James | Format: Paperback | Language/Sprache: english | 32 gr | 173x106x11 mm | 160 pp.
