OUTLANDER

[DOWNLOAD PDF](#)

Bantam. 1 Paperback(s), 2014. soft. Book Condition: New. The year is 1945, and Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband Frank on a second honeymoon in the Scottish Highlands. Walking through one of the ancient circles of standing stones that dot the British Isles, she is suddenly transported 200 years into the past, when Scotland is torn by clan disputes and war with the English. The first book in Diana Gabaldon's Quill Awardwinning historical romance series, and the inspiration for the Starz television series of the same name, Outlander is the tale of a woman torn between the world she left behind and her growing love for the gallant young Scots warrior Jamie Fraser."It is a large canvas that Gabaldon paints, filled with strong passions and derring-do. Strong willed and sensual, Claire is an engaging modern heroine plopped down in a simpler, more primitive time. Great fun . marvelous and fantastic adventures, romance, sex . perfect escape reading."SFChronicle 627.
