Jin Duyen, who often writes articles for prominent magazines, is assigned to do a story on the origins of Christmas many traditions. After some research, she traces them back to Selah, a remote town in the midwest. Jin travels there in hopes of finding something interesting for her article. Amy Carson, a private investigator from a nearby town, decides to look into several cases of missing children which have gone unsolved. The authorities have ceased their own searches, so with little else to do during the holiday season, she heads to Selah as well. Oddly, the residents of Selah aren't caught up in the festivities that the rest of the world is taking part in. Jin soon finds out that Christmas holds a much darker meaning here.one that pitches her into the same terror that has held Selah captive for years.
