Ember, United States, 2013. Paperback. Book Condition: New. Reprint. 206 x 140 mm. Language: English . Brand New Book. Lush and opulent, romantic and sinister, The Unfailing Light, Volume II in The Katerina Trilogy, reimagines the lives of Russia's aristocracy in a fabulously intoxicating and page-turning fantasy. Having had no choice but to use her power has a necromancer to save Russia from dark forces, Katerina Alexandrovna, Duchess of Oldenburg, now wants to forget that she ever used her special powers. She's about to set off to pursue her lifelong dream of attending medical school when she discovers that Russia's arch nemesis--who she thought she'd destroyed--is still alive. So on imperial orders, Katerina remains at her old finishing school. She'll be safe there, because the empress has cast a potent spell to protect it against the vampires and revenants who are bent on toppling the tsar and using Katerina for their own gains. But to Katerina's horror, the spell unleashes a vengeful ghost within the school, a ghost more dangerous than any creature trying to get in. Katerina's first-person voice is smart and believable, fitting well into this atmospheric romance. -- Kirkus Reviews From the Hardcover edition.
