Trafford Publishing, United States, 2012. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. Prof. Philjez is not the everyday professor. His mind passes the world through a mystic calculus and comes out with quaint theorems. His eyes views life through a cosmic geometry, and he formulates shocking hypothesis. Speaking more to animals and plants than to human beings, Prof. Philjez takes flight to the world of ideas from which he never returns. You need to be a little mad to read this book.
