Luca and His Herb Garden: How to Motivate Children to Learn about Herbs. (Paperback)

By Angelika Sommer

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Luca and his herb garden To learn your child in a fun way the herbs. Do you know this situation. You want to feed your child healthy, but where it draws us toward parents when we go shopping in the city. To the next burger chain! It is really a phenomenon, an otherwise slow eater becomes the smacking forming Burgerverschlinger. This is unhealthy eating habits, this is a conscious and yet we give unfortunately too quickly when the young fusses. The result is: A little chubby kid grows as zoom. As our Luca. All attempts to inspire our 8 year old son Luca for salad, vegetables, spices, and herbs failed. With hands and feet he defended himself against it. Even though I secretly bring something fresh to the table, he just let it stand, or better still haunted with absolute ease back on the plate. Heated debate followed, you can even think of. Frankly, we wanted to fight given up. Until such a memorable day when the school was secretly my ally. This was my chance! A trick...
