DECENTRALISATION IN DEVELOPMENT

Mittal Publications, New Delhi, 1991. N.A. Book Condition: New. Viii+120pp Decentralization is an ideological principle associated with objectives of self-reliance, democratic decision making, popular participation in development and accountability of public officials to citizens. Thus decentralization is a political decision, and its implementation is a reflection of a country's political process. Development is the exploitation and management of the resource of nature in such a way that they are put under the control of man and are harnessed to serve...

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

-- **Viva Schuster**

This ebook will not be simple to start on reading but very fun to learn. It generally is not going to expense too much. I am very happy to explain how this is the finest book I have read in my very own existence and can be the finest pdf for at any time.
