God Is Raising His Voice (Paperback)

By Charles Pretlow

Wilderness Voice Publishing, United States, 2014. Paperback. Book Condition: New. 196 x 119 mm. Language: English . Brand New Book ***** Print on Demand *****.The eruption of Mount St. Helens on May 18, 1980 was the most deadly and economically destructive volcanic event in the history of the United States. The explosion spewed ash across eleven states killing 57 people and causing over a billion dollars in property damage. Past Prophesies: In the early 1970s, at a time when the Holy Spirit moved across the nation, many prophesies had warned of the Northwest and Puget Sound area being devastated by earthquakes. Many thought St. Helens eruption was the fulfillment of those prophesies. This is a prophetic warning: God is raising his voice and Mount Rainier will soon be spewing lava. The United States is about to take another hit in these birth pangs Christ predicted. Mount Rainier is about to ignite and start the Pacific Northwest's portion of the Pacific Ring of Fire. Learn how to prepare for the coming upheaval of Mount Rainier with its far reaching affects upon the people and the economy of the Puget Sound region-rippling out to the nation and the world. Don t...

Reviews

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.

-- Dr. Ron Kovacek

Absolutely essential read through book. it was actually written quite properly and useful. Its been developed in an remarkably basic way and it is only following i finished reading through this ebook where really changed me, modify the way i believe.

-- Torrey Jerde
