Brand New Book ***** Print on Demand *****.I love to have fun which is how I got my name. One way I share my fun with others is through writing children s bedtime stories. In this book you will find four of my favorite children s stories suitable to be read to kids as bedtime stories or for kids to read by themselves. Lost in the Woods is a story like Alice in Wonderland or The Wizard of Oz, with talking animals and adventure. You will meet Jack, a boy whose tragic life desperately needs a little magic. The Dog Prince is a classic fairy tale in which you ll travel back in time to the land of Brink where a dog becomes the prince of an entire country. The Wonderkind is a fantasy fairy tale about a boy who falls overboard and finds himself in the amazing world of an ancient race living beneath the surface of the earth. Fanciful animals and plants abound. The Last Magician tells the story of Jaden, a boy who finds himself alone and adrift in a land that slowly spirals down toward oblivion. How can one small boy hope to turn back the tide of destruction? These bedtime stories will entertain, make kids laugh and remind kids that life can be an adventure. They are fun, uplifting, and can even teach a lesson.
