Excerpt from Scottish Characteristics In every estimate Scottish character and humor the old minister furnishes a singular variety of illustrations, marking a very distinct and individual type. Among ministers of all orders, and especially in a time not very far remote, there was much more of a brotherly resemblance than a brotherly difference; for they might belong to the Establishment, or not; they might belong to the United Presbyterian, the Relief, or the Antiburgher communions, but they were usually scholars and men of education; they were versed in their humanities; the framework of their theology was uniformly built up from the Confession of the Westminster Assembly, and their church government was uniformly Presbyterian.
