

## Medicines Management in Children's Nursing

---

By Karen Blair

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Medicines Management in Children's Nursing, Karen Blair, Children's nurses must develop the crucial skills of correct medicines management and calculations in order to provide safe care to their patients. This book specifically supports pre-registration students in meeting the required competencies for medicines management needed to pass formal assessment and qualify as a children's nurse. It is clearly structured around the NMC Essential Skills Clusters for medicines management, covering legal aspects, drugs calculations, administration, storage, record keeping, introductory pharmacology, patient communication and contextual issues in medication. The book is written in user-friendly language and uses patient scenarios to explain concepts and apply theory to practice.
