### Reviews

*This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who statte there was not a really worth studying. You are going to like the way the blogger publish this publication.*

## JOHN CABOT THE DISCOVERER OF NORTH AMERICA, AND SEBASTIAN, HIS SON

[DOWNLOAD](#)

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 174 pages. Dimensions: 9.7in. x 7.4in. x 0.4in. This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1896 edition. Excerpt: . . . Columbus discovered the West Indies, as well as the islands and continent of the Atlantic Ocean, and that no one before him possessed any knowledge of the same Cabot replied: Solinus, an historical cosmographer, states that among (sicpра beyond) the Fortunate Islands, called Canaries, after navigating thirty days, 2 there are isles, named Hesperides, which he presumes to be identical with those that were found in the times of the Catholic Kings, and he has heard many people in this city of Seville say that it was Christopher Columbus, who discovered them. 3 Cabots cautious language is worthy of note, particularly when looked at in connection with another answer, is still more surprising. This was given in reply to a question addressed in 1535, that is, ten years after the explorations of Estevam Gomez and Ilemoriar dz la Real Academia dz la Hzrtorza, vol. x, p. 201. See also the same, pp. 265 and 266-67. That Probanza is evidently identical with the one which the 1Vemoria. r mention at p. 201, as having been executed Dec. 31st, 1535. There are the same witnesses, and the text indicates the same rubric, viz. : Leg. 2. Pieza 7. It is impossible to imagine a more confused jumble than this publication of the Spanish Academy of History. 2 Forty days, says SoLiNUs: Ultra Gorgadas Hesperidum insulae, sicut Sebosus affirmat, dierum quadraginta navigatione in intimos maris Giovanni Verrazano, and when all the maps of...
