Reviews

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.

CHURCH AND EMPIRE (PAPERBACK)

[DOWNLOAD PDF](#)

Fortress Press, U.S., United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. The history of the church's relationship with governing authorities unfolds from its beginnings at the intersection of apprehension and acceptance, collaboration and separation. This volume is dedicated to helping students chart this complex narrative through early Christian writings from the first six centuries of the Common Era. Church and Empire is part of Ad Fontes: Early Christian Sources, a series designed to present ancient Christian texts essential to an understanding of Christian theology, ecclesiology, and practice. The books in the series will make the wealth of early Christian thought available to new generations of students of theology and provide a valuable resource for the church. The volumes will provide a representative sampling of theological contributions from both East and West. The series provides volumes that are relevant for a variety of courses: from introduction to theology to classes on doctrine and the development of Christian thought. The goal of each volume is to be representative enough to denote for a non-specialist audience the multivalent character of early Christian thought, allowing readers to see how and why early Christian doctrine and practice developed the way it did.
