

Good to be Grand: Making the Most of Your Grandchild's First Year (Hardback)

Filesize: 2.19 MB

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who state there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
(Dr. Deonte Hammes DDS)

BENBELLA BOOKS, United States, 2016. Hardback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. Becoming a grandparent is a major milestone, raising new questions, challenges, and opportunities. Prepare for this transformative stage of life--and make the baby s first year one of the most meaningful experiences for both of you. Good to Be Grand is the ultimate roadmap for today s grandparent, combining the latest information about infant care--from medical developments to equipment innovations to parenting practices--with honest, down-to-earth advice and anecdotes about grandparents special role. Journalist and new grandmother Cheryl Harbour gets right to the point of what modern grandparents really need to know from the time they begin anticipating the birth to the end of the first year. Harbour takes the best and most relevant information from the latest research, expert interviews, and thick parenting books and tailors it specifically for grandparents, recognizing the unique bond they share with their children s children. Each chapter provides interesting facts and observations about what has remained the same and what has changed about childcare over the years, what you can do to support the physical and emotional well-being of your grandchild and, most important, what you can do to make the most of the experience. With a foreword by Hillary Rodham Clinton, including her personal reflections on the birth of her first grandchild, Good to Be Grand is for smart and sophisticated grandparents eager to embark on their grandparenting journeys with enthusiasm, knowledge, and confidence.
