Brookings Institution. Paperback. Book Condition: new. BRAND NEW, Behavioral Science in Policy and Practice, Craig R. Fox, Sim B. Sitkin, The success of nearly all public- and private- sector policies hinges on the behavior of individuals, groups, and organizations. Today, such behaviors are better understood than ever, thanks to a growing body of practical behavioral science research. However, policymakers often are unaware of behavioral science findings that may help them craft and execute more effective and efficient policies. The pages...
