STOP COMING OVER-THE-TOP: A RUTHLESSGOLF.COM QUICK GUIDE (PAPERBACK)

DOWNLOAD

Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 231 x 185 mm. Language: English . Brand New Book ***** Print on Demand *****. Whether you struggle with the swing flaw commonly called coming over-the-top or not, this Quick Guide will probably help your game. That bold first statement opens Stop Coming Over-the-Top, but it's true. The vast majority of swing faults in any weekend player's swing can be traced back to a poor takeaway and a poor change of direction at the top of the backswing. Using some simple instruction, a few easy drills, and many diagrams, Stop Coming Over-the-Top can help any golfer get his swing back on plane, as well as teaching him how to improve distance and accuracy. After learning how an over-the-top move simulates a wood chopping motion, you'll be shown how a correct swing eliminates these errors. In this Quick Guide you'll learn: ** What really causes an over-the-top swing ** How to create a good shoulder coil with a big swing arc ** A simple way to get your swing on plane ** Why your lower body always starts your downswing, but not always correctly ** How to start your downswing correctly every time ** How to hold your wrist cock until late in your downswing ** How to stop chicken-winging ** And more! So don't fuss with the symptoms of a poor swing. Attack the real problems and learn the basics of a fundamentally sound swing with Stop Coming Over-the-Top !.
