Genesis of Disaster: Ramifications And Ameliorations

By K.S. Gulia

2004. Hardcover. Book Condition: New. 250 The book deals with nature and human initiated disasters and role played by them in our life. Explains physical and human environment through natural catastrophes and social integrations and disintegrations. It is a well comprehensive publication on the subject. Will be highly useful for environmentalists, civil administrators and military and armed force personnel. About The Author:- Brigadier (Dr) Kuldip Singh Gulia is a noted and active environmentalist. A PhD. In Himalayan Studies from the Centre for Himalayan Studies, University of North Bengal, he has carried out a deep research on the human and physical ecosystem of Himalayan Ranges. His work on the Autochthones of Sikkim Himalayas and his description of the Monasteries and Gompas of all sects of Buddhism have earned him a wide acclaim. A author commanded a Bridge in Gujrat immediately in the aftermath of the devastating earthquake of 26 January 2001. Involved, as he was, in the post-disaster management in Gujrat in his capacity as a Brigade Commander, he took a queue from the horrifying events, and carried out a wide ranging research on the subject of disaster and destruction from the evolution of the humans, to the present day. Some...

Reviews

It is one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
