INFINITE NATURE

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Infinite Nature, R. Bruce Hull, In this impassioned and judicious work, R. Bruce Hull argues that environmentalism will never achieve its goals unless it sheds its fundamentalist logic. The movement is too bound up in polarizing ideologies that pit humans against nature, conservation against development, and government regulation against economic growth. Only when we acknowledge the infinite perspectives on how people should relate to nature will we forge solutions...

Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
