THE CANINE PATHOLOGY is founded on a small work published some years ago, under the title of Cc A Domestic Treatise on the Diseases of Horses and Dogs. In each of the several editions it passed through, I promised that, at a future period, I mould present the public with a more complete and extended work, which should embrace every information connected with the medical treatment of dogs, that a long and successful practice thereon had taught me. By the publication of the Canine Pathology, I have endeavoured to redeem this pledge and when it is considered that the whole path I have travelled over has been hitherto unbeaten, and that no authority existed from whence the smallest assistance could be gained, the task may be considered as a laborious one, and that some industry and attention have been displayed in its prosecution This Second Edition presents itself with some important additions. The introductory chapter on the Moral Qualities of the Dog has been preceded by an Inquiry into his disputed Origin-a...

### Reviews

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Ken Watsica

*Without doubt, this is the very best operate by any writer. This is for all those who statte that there was not a well worth reading through. I discovered this pdf from my dad and i suggested this book to find out.*
