Brand New Book ***** Print on Demand *****.The Economic Research Service (ERS) is part of the U.S. Department of Agricultural (USDA). Its focus is to analyze and distribute economic information and research. Their results provide decision makers the information they need to run business, create policies and understand the farm, rural and food economy. This paper discusses the mechanisms by which water is allocated between agriculture and energy in Central Asia and presents scenario results that simulate the impacts on production and trade.
