Queen Publications. Paperback. Book Condition: New. Paperback. 116 pages. Dimensions: 7.8in. x 5.0in. x 0.3in. Alethea Pascascio's practical no-nonsense guide, *Help Wanted*, is full of eye-opening revelations. You will come to understand how women can benefit from structuring their relationships like a major corporation. Delivering a new perspective on relationships, *Help Wanted*, reveals why women will improve their odds of finding the right men with preparation and having self-confidence. This book places women behind the hiring desk with the right to add to and/or eliminate from her outer, inner, and innermost circles as they deem necessary. An early exercise suggests that women make detailed lists of the qualities they're looking for in a relationship. This will help them determine if they are seeking to hire a friend (Entry level), boyfriend (Mid level), or husband (Executive level/CEO). There are also lists of interview questions to help pre-qualify and position candidates correctly because some friends should not become boyfriends and some boyfriends should not become husbands. If a successful company does not allow just anyone sitting at their helm... why should not you have the same, if not higher, standard for your most valuable empire... your life. Relate to men on a whole new level! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
