Authorhouse. Paperback. Book Condition: New. Paperback. 136 pages. Dimensions: 8.9in. x 6.0in. x 0.4in.Anne Felts message is simple: emotionally intelligent adults produce children who are balanced, motivated, loving and responsible. It is vitally important to become conscious of the messages children receive through adult role-modeling, including attitudes, tone, social interactions, emotional responses, values and body language. All of these factors shape the childs response to the world he inhabits. Anne challenges all adults (parents, neighbors, grandparents, teachers and daycare workers) to realize that actions speak louder than words, and that words are indeed powerful. Lets stop blaming the children and become accountable for our results. Ms. Felt presents practical wisdom that applies to every family in its own unique way. She teaches the reader the principles of raising emotionally healthy and empowered children. By addressing the childs basic needs for respect, unconditional love, self-worth, exploration and contribution, we can create future generations of productive, positive and emotionally healthy adults. Eventually this will lead to world peace, and in the meantime we will have peace in our homes. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
