### Reviews

*It is one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding. (Camylle Larson)*

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is Samir Sobhy's second collection of haiku-inspired poems. He finds this minimalist Japanese form of poetry satisfying, allowing him to express what he wants to convey in his poetry. He particularly likes the power to tell a story or evoke emotion in just three lines. As in the first collection, the poems are in groups of themes. While most of the themes in the first were descriptive, giving prominence to nature, this collection leans more towards the reflective side. Both collections dwell on meditation melancholically. The mood in the present collection is darker than ever, except for some humorous verses. This, in part, is due to the chosen themes, such as Shadows, Lies, Ashes, Thorns, Mists, Tears, etc. Even the treatment of Paradise is from a pessimistic approach! While the poems are in three lines, the author does not follow the rule of 5/7/5 syllables in traditional haiku. The first and third lines rhyme; sometimes - though rarely - the three lines rhyme, with punctuation.
