Skipper Pitts presents a new solution to a traditional set of personal and professional development problems - increasing Personal Proficiency while achieving Professional Mastery. This text is a must-read for readers who wish to get a good grasp on the metaphors, idioms and strategies outlined in the publication, Success TRAP: Awaken your Realized Potential for Lasting Fulfillment. As you read, you will gain an understanding of how you can personalize the strategies to fit into your life. The Concepts Guide unlocks the powerful features found in the body of the Success TRAPS project, publication and workshops. You will gain an understanding of how you can identify with each strategy and learn how-to fit them into your personal and business life. The text organizes the information - such as to do s, lessons learned, Idea in Brief, Idea in Practice, etc - thereby providing a collaborative set of methods to create opportunities as a way of managing new growth and business within your Future Picture. Whether you are developing a new strategy forward or tracking a series of behaviors that led you to this very point in your life, the Success TRAPS project, along with this Concepts Guide fits into any scenario giving you a new direction by enhancing productivity. The Concepts Guide stretches to meet your needs rather than asking you to manipulate your thought software to fit a pre-defined pattern. It has many powerful features to help you better manage your life s workflow and maximize your productivity. This guide will help you to unlock those features by giving you a good foundation for understanding the basic concepts used to overcome the many Success...
