Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Where are the fiery prophets of today - the piercing Revivalists of old? Why do we have gold dust, feathers, holy laughter and Charismatic chaos, instead of weeping and deep repentance? In this book, Revival preacher Andrew Strom tells of what he saw and why he left the modern Prophetic movement after eleven years involvement. And how the announcement of his leaving shook the movement. What is real Revival? And how does it differ from what we are seeing? What are real prophets of God supposed to be like? And how do you discern true signs and wonders from the false? All these questions and more are answered in this provocative book. Andrew Strom is founder of RevivalSchool-com and editor of the Revival List. For many years he was known as a publisher of the prophets - until his shock announcement in 2004 that he was publicly quitting the movement. This is his story why. FROM THE REVIEWS: This book left me in tears, weeping for a restoration of the true gospel and with such a yearning to see real revival in our nation.
